This is a picture of our son Micheil, his wife Jody (raised in Essex), daughter Brylee & son Ryan on Kiawah Island in Charleston for my granddaughter Grace's wedding. Lots of us for 5 days' Much love & fun.

These are our "first great-grandchildren". Eloise & Dalton.

Eloise is our son Patrick's 1st grandchild.

Dalton is also our daughter Jennifer's first grandchild.

I met John Killoran on a blind date in 1983, when he retired from Griffith Air Force Base in N.Y. on his way to Florida. NEVER would talk about Vietnam with me, knowing I had protested in Washington against the war. Was never about NOT supporting our warriors, but to bring them all home. Big difference. My son Patrick is in the Ga. National Guard, with 6 months in Iraq, my grandson spent 4 years in Afghanistan & Iraq, my daughter Jennifer spent 4 years in the Army in Germany, etc. My veterans are so very important to me & am so upset our government dismisses them. You may share any of my correspondence, I am who I am. Again, please pray for our country. We really need God to watch over us & the generations to come. Linda
